PUBLIC NOTICE

On October 24, 1992, the Federal Communications Commission designated for hearing in a consolidated proceeding the application of Bakcor Broadcasting, Inc., Debtor, c/o Dennis Elam, Trustee, for renewal of license of Station KKIK(FM), Lubbock, Texas, and the application of Southwest Educational Media Foundation of Texas, Inc., for construction permit for a new FM station at Lubbock, Texas. Station KKIK(FM) operates on

Channel 229. The hearing will be held before Administrative Law Judge Walter C. Miller of the Federal Communications Commission at the offices of the Commission at 2000 L Street, N.W., Washington, D.C., and is scheduled to commence on February 22, 1993, at 8:30 a.m.

The application of this station for a renewal of its license to operate this station in the public interest was tendered for filing with the Federal Communication Commission on March 30, 1992. After considering this application, the FCC has determined that it is necessary to hold a hearing to decide the following questions:

1. If a final environmental impact statement is issued with respect to Southwest Educational Media Foundation of Texas, Inc., in which it is concluded that the proposed station is likely to have a significant adverse impact on the environment, to determine whether the proposal is consistent with the National Environmental Policy Act, as implemented by 47 C.F.R. Sections 1.1301 - 1.1319.

2. To determine which of the proposals would, on a comparative basis, best serve the public interest.

3. To determine, in light of the evidence adduced pursuant to the foregoing issues, which, if either, of the applications should be granted.

The hearing will be held at the offices of the Federal Communications Commission at 2000 L Street, N.W., Washington, D.C., commencing at 8:30 a.m., on February 22, 1993. Members of the public who desire to give evidence concerning the foregoing issues should write to the Federal Communications Commission, Washington, D.C. 20534, not later than November 29, 1992. Letters should set forth in detail the specific facts concerning which the writer wishes to give evidence. If the FCC believes that the evidence is legally competent, material, and relevant to the issues, it will contact the person in question.

Copies of the application of Bakcor Broadcasting, Inc., Debtor, c/o Dennis Elam, Trustee, amendments thereto, and related materials are available for public inspection during regular business hours at Station KKIK (FM), 904 East Broadway, Lubbock, Texas.
